# AGROPUR US OPERATIONS

Agropur is the chosen dairy manufacturer of some of the most prominent food, beverage and nutrition brands in the world. Founded in 1938, Agropur is a top 20 global dairy producer. We're one of North America's largest whey protein manufacturers and produce more than 1 billion pounds of quality, award-winning cheese per year. Vertically integrated, Agropur's seven US, SQF certified plants provide future-forward solutions in cheese, beverages and dairy ingredients. Every day, we are helping food manufacturers deliver the best tasting, highest quality dairy products. Because better dairy means a better world.
